FINANCIAL STATEMENTS

DECEMBER 31, 2023

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Earn, Inc. DBA SaverLife

Opinion

We have audited the accompanying financial statements of Earn, Inc. DBA SaverLife (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Earn, Inc. DBA SaverLife as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Earn, Inc. DBA SaverLife and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Earn, Inc. DBA SaverLife's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of Earn, Inc. DBA SaverLife's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Earn, Inc. DBA SaverLife's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Earn, Inc. DBA SaverLife's financial statements as of December 31, 2022, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 27, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note 1 - Organization and Summary of Significant Accounting Policies

a - Organization

Earn, Inc. DBA SaverLife (the "Organization"), is a nonprofit organization incorporated in the State of California in December 2001. The Organization uses personalized technology to improve the financial health of people living on low-to-moderate incomes.

b - Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments, purchased with a maturity of three months or less, to be cash equivalents.

c - Contributions and Contributions Receivable

Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional. Conditional promises to give, that is, those with a measurable performance-related or other barrier and right of return of assets transferred or release of a promisor's obligation to transfer assets in the future, are not recognized until the conditions on which they depend have been met.

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

d - Intangible Assets

Intangible assets include contracted software engineering labor to add new features and functionality to the Organization's SaverLife platform. All major upgrades and enhancements to the platform are capitalized. Donated services are recorded at fair value on the date of donation. The SaverLife platform is amortized using the straight-line method over an estimated useful life of three years. Other related costs, such as maintenance, repairs and training, are expensed as incurred.

e - Impairment of Long-Lived Assets

The Organization evaluates long-lived assets, such as intangibles, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The recoverability of assets held and used is measured by comparison of the carrying amount of an asset or an asset group to estimated undiscounted future net cash flows expected to be generated by the asset or asset group. If the carrying amount of an asset exceeds these estimated future cash flows, an impairment charge is recognized for the amount by which the carrying amount of the assets exceeds the fair value of the asset or asset group, based on discounted cash flows.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

f - Revenue Recognition

The Organization has revenue streams that are accounted as exchange transactions which are evaluated under Accounting Standards Codification ("ASC") 606 through the following five steps: (i) identification of the contract or contracts with a customer; (ii) identification of the performance obligations in the contract; (iii) determination of the transaction price; (iv) allocation of the transaction price in the contract; and (v) recognition of revenue when or as a performance obligation is satisfied.

The Organization earns revenue by completing mission-aligned research projects for various clients. The Organization also enters into contracts with companies, referred to as "Program Partners" to give specific groups customized access to the SaverLife platform. Program service fees represent implementation and annual fees for partnerships as well as earned revenue for contracted research projects.

The Organization recognizes revenue over time for all annual program fees and recognizes implementation fees at a point in time once implementation is complete. The disaggregation of revenue is as follows:

	2023	2022
Revenue recognized over time Revenue recognized at a point in time	\$166,978 5,000	\$284,418
	<u>\$171,978</u>	<u>\$284,418</u>

Amounts paid in advance of services performed are classified as deferred revenue, and amounts received in advance from program partners for awards to be paid to savers are classified as Advances - due to savers on the statement of financial position.

g - Financial Statement Presentation

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization management and Board of Directors.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

g - Financial Statement Presentation (continued)

Net Assets With Donor Restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or the passage of time.

h - Donated Services

Donated services are recognized as contributions if the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated services are recognized as contribution income and expenses on the statement of activities.

i - Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Expenses are applied directly to programs where applicable or allocated on a reasonable and consistent basis. A substantial portion of the Organization expenses are directly allocated to program activities. The expenses that are allocated include salaries, payroll taxes and benefits, occupancy costs, insurance, and general office expenses, which are allocated based on an estimate of employees' time and effort.

j - Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

k - Tax Status

Earn, Inc. DBA SaverLife is a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation.

I - Comparative Financial Information

The financial statements include certain prior period summarized comparative information in total but not by net asset classification. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2022, from which the summarized information was derived.

For comparability purposes, certain 2022 amounts have been reclassified, where appropriate, to conform to the financial statement presentation used in 2023.

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

m - New Accounting Standard

During 2023, the Organization adopted ASU 2016-13, *Current Expected Credit Losses* ("Topic 326"). The core principles of ASU 2016-13 (the "ASU") significantly change the way Organizations recognize credit losses from the incurred loss model to the expected loss model for most financial assets. The financial asset held by the Organization that is subject to the ASU is accounts receivable. The adoption of the ASU did not have a significant impact on net assets.

n - Subsequent Events

The Organization has evaluated subsequent events through November 12, 2024, the date that the financial statements are considered available to be issued.

Note 2 - Information Regarding Liquidity and Availability

Management monitors the level of available financial assets to anticipate cash requirements for general expenditures as obligations come due on a monthly basis, at a minimum. Board designated net assets, which are designated for operating reserves and future program development, are included in cash and cash equivalents, and per the Board designated reserve policy can be used for cash flow.
