

## Program Rules for SaverLife Prize

By applying for the SaverLife Prize Program (“Program”) or otherwise participating in the Program, you agree to accept and be bound by these Program Rules (the “Program Rules”), which, together with SaverLife’s Terms of Service for EARN, Inc. dba SaverLife (“Terms”), govern your use of the Program. In the event of a conflict between these Program Rules and the Terms, these Program Rules take precedence, but only to the extent of the conflict.

### 1. Program Length

The Program begins when you sign up for a Program account (“Program Account”) on the SaverLife platform by entering your name, email, and password, and continues unless and until terminated by SaverLife. You will begin receiving content at this time and can opt into rewards and other tips by linking a qualifying financial account or instrument (“Linked Savings Account”) with your Program Account.

### 2. Saver Eligibility

To open a Program account or participate in the Program, you must:

- a. Be at least 18 years old;
- b. Not previously have opened a Program Account or participated in any other SaverLife program since June 2016. (Please also note that your participation in the Program—or early termination from this Program—may affect your ability to participate in future SaverLife programs.); and
- c. Provide all application materials and other materials requested by SaverLife, such as acceptable identification information and income documentation, in a timely manner.

SaverLife reserves the right to select Program participants, and to deny your access to Programs at its sole discretion. SaverLife will select participants for programs on a non-discriminatory basis, considering factors such as past savings history, eligibility for Program requirements, and Program capacity. Eligible applicants to the Program will be

selected on a first-come, first-serve basis until the Program has reached capacity. Due to limited funding, SaverLife cannot guarantee spaces in the Program, and SaverLife reserves the right to limit participation based on capacity.

SaverLife reserves the right to contact Program applicants via e-mail, text message, or other messaging platforms in accordance with the [SaverLife Privacy Policy](#). For example, SaverLife may contact applicants who do not become Program participants (“Savers”) in the Program to invite them to re-apply if additional spaces become available in the Program or to apply for other SaverLife programs. SaverLife also reserves the right to permanently close any Program Account if you violate these Program Rules, Terms, or any other agreement with SaverLife.

### 3. Rewards

Please see the Official Rules for information about how to earn and claim rewards, and other important information about the Program.
